

BERYL                    Alright Sandra, are you getting any?

SANDRA (*Sung.*)  
YEAH, YEAH, YEAH, YEAH, YEAAAAAAH.

BERYL                    Dirty cow.

SANDRA                  Oi Cass, what you got your dog teeth set on?!

CASS                     Seven. For welts!

CLARE                    It'd be a lot easier if we had a whatsaname with a you know.

Jo                         A transport system with a top feed?

BERYL                    That'd be a bit too fucking twentieth century, that would!

SANDRA                  I put it on seven and it's still sticking.

BERYL                    Drop the dog teeth lower then, you daft slapper!

CLARE                    Or use some, you know, fing.

CASS                     Wax!

BERYL                    You wanna try sleeping at nights, girl!

RITA                      Who's this one then, Sandra?

SANDRA                  Richard.

CASS                     What's he do?

BERYL                    Everything by the sounds of it!

SANDRA                  He's a driving instructor. At British School of Motoring.

BERYL                    No! He's not that British School of Motoring's Richard?

SANDRA                  Yeah. What about him?
